Stephanie Poplar
WE CARE BALTIMORE, INC.
3830 Falls Road
Baltimore, MD 21211

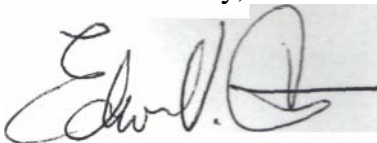

Dear Stephanie:

I would like to thank you for your technical assistance and support in the area of non-profit business formation and helping my Heart & Soul Foundation, Inc. obtain its 501 C-3 tax exempt status. Although it is a lengthy process for any individual or organization to receive its 501 C-3 tax exempt status, you have demonstrated your knowledge of Internal Revenue Service codes, laws, and procedures. Your 100% support in developing and drafting articles, bylaws, narrative description, conflict of interest policy, grant funding guideline, fundraising plan, and other components that are needed shows that you are an expert in non-profit & 501 C-3 preparation services.

This letter of recommendation is being presented to you, in hopes that you continue to help grass root organizations and individuals with their goals in forming a 501 C-3 tax exempt organization. Stephanie, your life's purpose is to continue to be a change agent and consultant; please remember never give up on helping those who are helping and empowering the community. Furthermore, I encourage individuals as well as organizations that want a non-profit division to utilize your services.

In closing, continue to serve and to provide technical assistance and support to organizations like you have done for the Heart & Soul Foundation.

Yours truly,

A handwritten signature in black ink, appearing to read "Edwin A.", with a stylized flourish at the end.

Edwin Avent Chairman of the
Board Heart & Soul Foundation.
